

Public Screen 1

On December 9th for the Jeopardy game:

on-screen: MC

scorekeeper: Jill

topics:

habitats

adaptations

life cycle

specific animals as

decided by the zoo

~~Harvey: Poll Everywhere for buzzing in?~~

or round robin style

schools will be called on alphabetically

they cannot choose their own category

and can choose any dollar amount or category

Harvey will MC!

11 am - 12 pm 11/6 TEST!

meet @ 3:30 pm Elluminate

backup date: January 20th

we will hopefully hear from the zoo by the end of this week

Harvey will email the Zoo, Vernice will call

How will schools select their topics?

Vernice will ask if the zoo could present 5 animals

students would introduce their own school

Public Screen 2

Secondary Project: grades 6 through 12

VC #1 Field Trip to Watershed Education - general, maps, local area

VC #2 Share information about data collected

VC#3 - Students and teachers meet to share ideas on how/why results are similar/different and offer ideas as to how observed trends could change for better or worse.

May 5th, 19th, 26th in a row ?
